DEMENTIA ESSENTIALS

**CHCAGE005 Provide support to
people living with dementia**

This nationally-accredited course is designed to assist workers supporting people living with dementia. Strategies are explored to assist with good communication, planning and developing appropriate activities and understanding behaviours in people living with dementia.

NATIONALLY RECOGNISED
TRAINING

Funded by the
Australian Government

Available at various locations or at your workplace.

3 DAY PROGRAM

Topics include:

- person centred care
- the nature of dementia
- effective communication
- impact of dementia
- activities for engagement
- understanding changed behaviours and developing effective responses

The completed competency can be credited towards further study in aged care.

You **MUST** be able to undertake a workplace assessment under supervision, interacting with people living with dementia.

Assessment can be modified for people with varying levels of English literacy.

Statement of Attainment will be issued by Alzheimer's Australia Vic Inc. RTO CODE: 2512

DATE: To be advised upon request

DURATION: 3 day program

9.00 - 3.30pm

COST: Fully funded

SUITABLE FOR: All staff working with or caring for people with dementia

Note: Participation at all three sessions is essential.
